

There once was a boy named ManPong he was just any other ordinary boy. ONLY HE WAS GIFTED WITH THE CREATION OF THE SUPERMEGAFOXYAWSMHAWT Eklavya's hair. But he was terribly careless, just like his Vishnap (birds of a feather flock together no?) So he had to combine the use of his Snail and Sloth TO CREATE THE BESTEST AND AWESOME-NEST MEMORY MACHINE THERE WAS.

Too bad there was a villain who isn't going to be mentioned again who wanted to steal the machine FOR ALL THAT IS EVIL.

Luckily with ManPong's memory, he forgot where the BESTEST AND AWESOME-NEST MEMORY MACHINE was located, and thus is the story of ManPong.
