Title: **What do you want on the school intranet?**

Post by: **blair** on **January 31, 2009, 03:19:16 PM**

As you people probably know, there's going to be a new intranet (<http://sites.google.com/a/jamesruse.nsw.edu.au/woo/ad>) some time soon.

What do you people think should be on the school intranet?

Please reply with whatever ideas you have :)

Even though it's probably not possible, a way to contact teachers about homework or assignments.

And a way to recover passwords and such on the school network, and intranet.

As in Uncle Ezra (<http://ezra.cornell.edu>)

Iunno if Jing's group is planning a full-on project for it.

Ohh, smart, Blair, although you should probably make it more specific & related more to your portfolio, otherwise the replies might be all over the place.

What's your part again?

I'm doing the Maths part of the intranet. Full list is on Woo Random Files (<http://sites.google.com/a/jamesruse.nsw.edu.au/woo/ad/team>).
From cbbox: Amy's doing Junior HSIE, Joey's doing LOTE, Tony's doing Ag.

Anything you guys want on the Maths site? Right now, there's the school syllabuses, the BOS syllabuses, and a lot of past papers.
